Subject: Need \$ totals today!

Sabrina,

David needs (for Carol) the total amount of SA, removal and BF TBA and grant \$ spent in the upper animas over the past 15 yrs (the amount can be a round number) including anvil mtn. You can get program support to do a scorpius data pull for the SA and removal component. The factsheet on our website has the anvil \$ info. You should be able to pull the gladstone tba \$ from joni or ACRES. Bert G is reporting out on CWA. I'm out all PM, but please cc me on the submission. Thanks, Dan
